

3rd September 2020

This is to certify that Mr. Mandar Bhide, T.E. Computer Engineering student from P. V. G's college of Engineering, Pune has successfully completed internship during 2nd July to 26th August 2020 in our company.

He worked on web site design of our company. He could contribute to provide facilities like activity log for the user and generation of admin portal for our web site.

He has used flask environment for the work. He has done nice work and the team work was also good. We wish him success for his future career.

Dr. Mrs. Shaila Apte
